PLANET TWIN

Assembly Instructions

3

Assemble pole sections, ensuring that the bottom, middle, and top are the correct configuration.

2

Remove pole sections from central storage compartment within base.

1

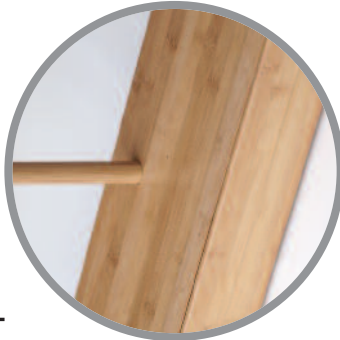

Remove roll up from carry bag.

5

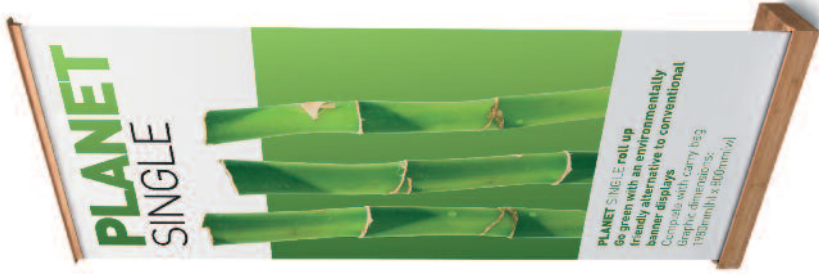

Holding graphic rail, pull graphic straight up, ensuring not to damage graphic.

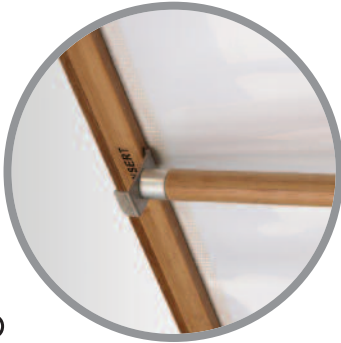

4

Fully insert bottom of assembled pole into hole in base.

6

Hook slot of graphic rail (labelled 'insert'), over metal lip at top of pole.

7

Repeat stages 5 and 6 for other graphic. Adjust feet in underside of base if required. This completes the assembly.
