

# Pop Up 'Magnetic Style' Assembly Instructions

1  
Ensure all components are available for assembly.

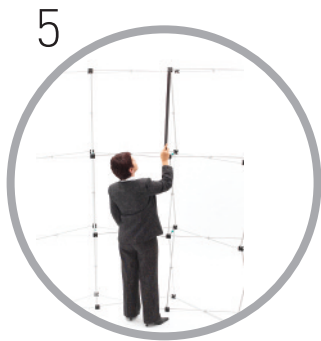

2  
Position space frame with lamp fittings on top and towards you.

3  
Open structure until magnetic locking bars snap together.

4  
Place magnetic rails vertically into hubs and let snap into place.

5  
Start at the top and continue downwards until all are positioned securely.

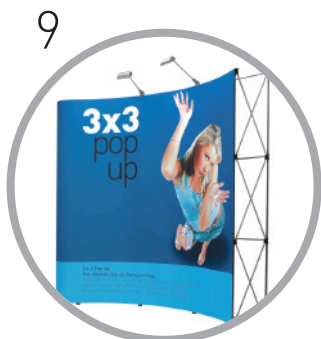

6  
Slide halogen lamps onto fittings.

7  
Locate the magnetic buttons on the back of the graphic into the top of the system.

8  
Let the graphic's magnetic strips gently grab the side rails from top to bottom taking care not to crease the graphic.

9  
Continue until all panels are in place. Taking the Pop Up down is the reverse of assembly.
