

## ST2 85 Roll Up Assembly Instructions

Remove your roll up from it's carry bag, stored in the underside of the cassette are the bungee poles.

Take the poles and allow all three sections to slide together.

Insert the poles into the cassette, ensuring that it is fully located.

Pull the first top rail straight upwards ensuring not to damage the graphic.

Hook the top rail onto the top of the pole.

Pull the second top rail straight upwards ensuring not to damage the graphic and repeat as before.
